

1999 03 11 Thursday Peter Davenport UFO Sightings

AB: "People frequently ask if UFO ... if UFOs, ah, wish to visit Earth or be seen near Earth, why would they have *luminosity*? Why would they have *lights*?"

PD: "Yeah ... I don't know. Ah ..."

AB: "Unless they wanta be seen."

PD: "Yeah."

[Query: Might UFOS require luminosity in order to observe the Earth? – JS].
